Team profiles could choose between a free or paid subscription plan. Look at our website to discover the available plans.

TackPay charges 5% of the transaction (VAT included). To this you have to add the payment provider fees to process the payment - payment provider's fees vary depending on several factors as they reflect the country in which you operate and the customer's payment method (e.g. the type of credit card used) For more information on payment process fees visit this link <https://stripe.com/en-gb-it/pricing> or take a look at table below. Always look at the payment provider website for the most accurate pricing.
